

Hi everyone,

As you are aware we played the exquisite Cotswold Downs on Sunday and after lengthy negotiations, we have cemented another add on benefit for full members who are handicapped with Tanglewood - please read on as this is very exciting!

**Tanglewood Golf Club has entered into a reciprocal agreement with Cotswold Downs on the following terms and conditions:**

**Please read these carefully:**

- **Tanglewood** has been afforded the opportunity to play at Cotswold Downs at member's rates (currently R210 including portion of cart). This does not, however, guarantee GPS distance screen.
- **Tanglewood** members are not allowed to use their own motorised golf carts.
- **Playing facility:** 7 days per week excluding course closure, maintenance days and Saturday mornings. Walking is permitted if times are available at the back of the afternoon field
- **Qualification:** Bookings must be made through the Cotswold Downs Pro Shop and Tanglewood membership must be conveyed. Tanglewood handicap swipe cards must be produced at the pro-shop to secure member's green fee rates. Online bookings are not permitted.
- **Tanglewood** members are subject to the relevant Rules/By-laws and Regulations of Cotswold Downs so please adhere strictly to these.
- **Dress Code:** Normal golf attire on and off the course is acceptable. T-shirts, soccer/rugby shirts are not. Shoes must be worn at all times. Flip flops are not acceptable. Please use the golf shoe cleaning machine outside the Pro Shop before entering the clubhouse. Caps are not to be worn in the clubhouse. The car park is not a change-room so please come already kitted up for golf or dress in the change-room
- No alcohol is allowed on the course or on the golf carts. Offenders will be asked to leave the property
- Only two persons per golf cart permitted at any time
- Players are advised that driving over barrier ropes which protect areas of the course including greens and tee boxes will be asked to leave the property
- For safety reasons golf carts are not permitted in the car park area prior to your round
- Should you wish to utilise the practice facilities at Cotswold Downs, you **must** contact the Pro Shop advising of your intention to practise so that they can notify security at the main gate, failing which you will not be granted access into the Estate

We respectfully ask that everyone utilising the facilities at Cotswold Downs, adhere strictly to the above as we do not wish to jeopardise the good relationship and reciprocal agreement that exists between our two clubs.

We sincerely trust you are as excited as we are with this incredible opportunity which has been afforded to us and hope you will take full advantage of this amazing offer.

For golf bookings and for use of the practice facilities, please contact the pro-shop at Cotswold Downs on (031) 716 8184.

**Proudly Tanglewood!**

Kind regards,

***Tibby Burger***  
***Golf Secretary***
