TANGLEWOOD GOLF CLUB IS NOT A “VIRTUAL” GOLF CLUB.

Both facilities boast superb floodlit driving ranges, practice putting areas together with change-room facilities and coffee shops.

HANDICAP SYSTEM

Members must record all scores from all games played to have a true handicap. Handicaps are recalculated on the last day of the month and it is your responsibility to check your handicap. Interim revisions of handicaps are also done during the course of the month.

New members and visitors without official handicaps must play off a full handicap of 18 for men and 24 for ladies or off their last official handicap until such time as we receive a minimum of five gross scores from you whereafter you will be given an official handicap. Your handicaps can be obtained through our offices.

Should you lose or damage your SAGA swipe card, a fee of R60.00 will be charged for the replacement thereof.

There are in excess of 160,000 officially handicapped golfers country-wide on the Handicaps Network Africa system which will enable you to swipe your card at the majority of clubs in South Africa. Should a particular club at which you play not be linked to the HNA handicapping system, you must telephone, e-mail or fax us your scores and we will gladly enter these for you.
